1st HALF 2017

Dear Mr. Bewley:

Enclosed is Heritage Thermal Services' Semi- annual Title V Report required by Section A(c)(ii) of the Title V permit. This report covers the semi-annual time period from **January 1, 2017 through June 30, 2017**. This report reflects monitoring and reporting requirements outlined in Heritage Thermal Services' Title V Permit # P0084372.

"I certify under penalty of law that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gather and evaluate the information submitted. Based on my inquiry of the person or persons who manage the system, or those persons directly responsible for gathering the information, the information submitted is, to the best of my knowledge and belief, true, accurate, and complete. I am aware that there are certain penalties for submitting false information including the possibility of fine and imprisonment for knowing violations."

As always if you have any questions and/or comments feel free to contact me at 330-385-7337.

Sincerely,

Stewart Fletcher

Section A – Title V Permit Standard Terms and Conditions

2. Monitoring and Related Record Keeping and Reporting Requirements

c) (3) All reporting required in accordance with the OAC rule 3745-77-07(A)(3)(c) for other deviations of the federally enforceable permit requirements which are not reported in accordance with Standard Term and Condition A.2.c)(2) above shall be submitted in the following manner: Unless otherwise specified by rule, written reports that identify deviations of the following federally enforceable requirements contained in this permit; Standard Terms and Conditions: A.3, A.4, A.5, A.7.e), A.8, A.13, A.15, A.19, A.20, A.21, and A.23 of this Title V permit, as well as any deviations from the requirements in section C. Emissions Unit Terms and Conditions of this Title V permit, and any monitoring, record keeping, and reporting requirements, which are not reported in accordance with Standard Term and Condition A.2.c)(2) above shall be submitted (i.e., postmarked) to the appropriate Ohio EPA District Office or local air agency by January 31 and July 31 of each year; and each report shall cover the previous six calendar months. Unless otherwise specified by rule, all other deviations from federally enforceable requirements identified in this permit shall be submitted annually as part of the annual compliance certification, including deviations of federally enforceable requirements not specifically addressed by permit or rule for the insignificant activities or emissions levels (IEU) identified in section B. Facility-Wide Terms and Conditions of this Title V permit. Annual reporting of deviations is deemed adequate to meet the deviation reporting requirements for IEUs unless otherwise specified by permit or rule.

There were no instances that meet the reporting requirements of this permit condition.

Malfunctions and other instances that may have led to deviations of the Emission Limitations, Operational Restrictions, or Control Device Operating Parameter Limitations contained in Title V Permit # P0084372 are reported under a separate cover letter to the Ohio EPA Division of Air Pollution Control on a quarterly basis.
